Integration
of Cat. III projects
with HCPs, with
Cons. Strat.

Purpose of the Meeting: The purpose of the meeting is to gather information regarding regional scale habitat conservation plans within the CALFED Conservation Strategy study area and to identify potential conflicts between CALFED proposed actions and assurances and the species and activities proposed for permitting under regional conservation planning efforts.

Desired Meeting Outcome: Develop summary information and identify potential conflicts with the CALFED Program for each regional plan discussed.

The following regional conservation plans (and any others you may know of that fit the needs of this meeting) will be discussed:

- ✓ San Joaquin County HCP *not final*
 - ✓ Yolo County HCP *not final*
 - ✓ Natomas Basin HCP (City of Sacramento, Sutter County, Sacramento County) *final*
 - South Sacramento County HCP *not final*
 - San Joaquin County Irrigation Districts/NMFS Candidate Conservation Agreement *not final*
IDs on Stanislaus, Mokelumne, ~~San~~ Merced
- RD 108 Wrights Landing*
GCID
Cal. Aqueduct

We request the following information be provided as far as this information has been developed for each plan addressed:

- Geographic area covered (bring a map if you can)
- Species covered by the plan (species likely to receive Section 10/Section 2081 permits)
- Activities covered by the plan
- Required (expected to be required) mitigation measures under the plan
- Other assurances (e.g. no surprises, safe harbors, adjacent property hold harmless agreements)

- *identify potential conflicts*
- *identify complementary elements*

Please come prepared with as much of the above information as you can (with at least one extra copy to leave with JSA). We will summarize this information at the meeting and digest additional information left with JSA, later, if there is not time to discuss it at the meeting.

Meeting Agenda:

- 1. Introductions (9:30-9:45)
- 2. Review of Agenda (Cylinder, 9:45-10:00)
- 3. Discuss each Regional HCP individually and fill in table of information (10:00-12:00, about 20 minutes each)
- 4. Summarize conflicts identified (12:00-12:15)
- 5. Action Items (12:15-12:30)
